Once we receive your application and payment, we will get in touch with you to confirm that your child has been registered at ISS. In busy months, this can take up to 2 weeks as we need time to review each application. If necessary, for instance if we are uncertain of your child's language level, or for some in-year applications, we might contact you to book your child in for a 20 mins Zoom assessment.

Do not hesitate to contact us if you have any questions.

Thank you for trusting Scuola di Sofia ISS with your child's Italian education.

Kind regards,

## SCUOLA DI SOFIA ISS POLICY (ITALIAN SUNDAY SCHOOL E14 3DW – BILINGUALS & BEGINNERS SECTION)

- The school commits in delivering high quality Italian language and culture classes to all pupils.
- Families are to make sure that the children come to school on time and bring their book bags complete with all the provided learning material. Parents cannot take part in the classes and will need to leave the children in the care of a member of our staff.
- Italian Sunday School for Bilinguals starts at 9.30am and finishes at 12pm. Parents will need to drop off their children at 9.30am at the school's reception and will need to collect them at 12pm from the school's canteen, this is to ensure that we hand over the children to the parents in an ordered way.
- Italian Sunday School for Beginners starts at 12.30am and finishes at 3pm. Parents will need to drop off their children at 9.30am at the school's reception and will need to collect them at 12pm from the school's canteen, this is to ensure that we hand over the children to the parents in an ordered way.
- For safeguarding reasons, do not let your child wander around the school on their own. If you are happy for your child to walk home on their own you will need to provide us with a written statement.
- If you need to collect your child before check out time, you will need to let us know in advance by email. For emergencies only, please text or ring the school's number 07936932512.
- Parents of children aged 4 should wait for their children in a location very close to the premises.
- Scuola di Sofia ISS has no uniform but children are to attend with clothes of a certain decorum (no football t-shirts, wellies, make-up, caps, sunglasses, no toys or electronics...). Closed shoes must be worn at all times (no crocs).
- Attendance is very important. Families commit to bring their children at Italian school every Sunday term time (37 weeks a year, according to calendar) unless in case of sickness.
- If a child is sick, families will need to inform the school at their earliest convenience. Missed classes will affect your child's education. If you have special circumstances, kindly speak to the headteacher.
- Homework will be uploaded on Google Classroom on a weekly basis. Children must complete the tasks and parents will need to upload the homework on Google Classroom in a photo format via App by the provided deadline. Teachers will then correct the homework and will return it to the pupils with their feedback through Google Classroom.
- Teachers will upload to Google Classroom the results of spelling tests and assessments, where applicable.
- Learning material is provided by the school and is included in the tuition fee.
- School bag is mandatory and can be purchased at school for the cost of £12.
- Some courses require the purchase of Scuola di Sofia Dispensa (Homework Booklets especially formulated for ISS pupils and based on our curriculums). The cost of each booklet is £30.
- There is a £65 registration fee per child to book for his/her place at school and to cover for the admin work for each child and the equipment they need (fully equipped pencil-case, workbook, folders, etc.). If lost or damaged, additional material will need to be purchased separately by the family.
- The £65 registration is a one-fee per academic year. Each year, normally during the month of May, we take the registration fee for the following year. Registration fees are not refundable.
- Families will need to make sure that the workbook is complete, and all material is tidily ordered.
- The school commits in informing the families regarding the children's progress and we will give them details of missed classwork. Communications will be given either by email or text messages. The school will organise one parents' evening a year in the form of a video-call appointment (normally before Easter holiday).
- The school will provide the families with two written reports of their child's progress (one before Christmas holidays and one before Summer holidays). If you feel you need to talk about your child's progress, you will need to book a phone appointment with the headteacher.
- Families are to act on the teacher's reports and homework feedback in order to ensure continuous progress.
- Payments will be taken via Direct Debit at the beginning of each month of the year (12 months), anticipated. The Direct Debit will stay in place as long as the child attends ISS and will renew automatically each academic year.
- The monthly fee for ISS Sunday school is £95 for the first child and £90 for each sibling.
- Should payments via direct debit fail, families will be charged £3 for each failed transaction and this will be added to their next direct debit payment. If payments are not received by the deadline, the school reserves the right to exclude a child from any further tutoring until the payments are brought up to date.
- Two full months' notice are required if you wish to withdraw your child from school (you must give notice before the last day of each month). For instance, if you give a notice on 2<sup>nd</sup> March, you'll still need to pay April and May in full.

- Once you give us the withdrawal notice, the school will issue one last payment for the notice period and will cancel the child's membership. Please note, if the family cancels the direct debit mandate before the school had the chance to issue the last notice payments, they will incur in a £10 penalty for each cancelled mandate.
- The school does not accept children's withdrawals between the months of June and August, so for instance, if you give us the notice in June, you will still need to pay the school fees up to the month of August included.
- School will only be able to administer medication to the pupils when these are accompanied by a General Practitioner's prescription stating their name. If children need antibiotics, please bring your own cool box with it.
- If a pupil is sick during class, we will inform the families by phone call (make sure your details and emergency numbers are up to date) and they may need to come and collect the child.
- If a pupil has an accident at school we will inform you (at the end of the day or immediately by phone if necessary) and you may be asked to sign an "accident report" when you pick your child up.
- Families need to provide a light snack and water bottle for their children to have during the break. All items must be clearly labelled with the child's name. We are a NUT FREE school. Do not give your child snacks containing nuts as they will be immediately disposed of.
- It is very important that families inform the headteacher if your child has food allergies or other health issues.
- Families need to pick up children on time. Late pick-ups (where parent is over 20 min late in picking up the child) will incur in a extra £10 childcare fee.
- The School reserves the right to change the terms of policy if new circumstances arise.
